

know it. Even in the Old Testament, the tithes were not used only by the Levites (*Deut 14: 27-29*). The Bible is clear on how ministers should be taken care of (*Gal 6:6, Matt. 10:40-42, 1 Cor. 9:7-14*). Tithes must not be for one man but must be treated as all other incomes which come into the storehouse that there may be meat in the House of God. This takes care of all needy areas including ministers (*Acts 2:44-45, Mal.3:10*).

WARN YOUR PASTOR: To stop cursing erring members or those who disagree with him or those who decided to change to another church. A true servant of God will not curse anyone no matter the degree of provocation. Christians have the liberty to change to any church the Spirit leads them. Christians also should not be afraid of such men because no man can curse whom God has blessed. Only people with occult powers curse when they are offended, not born again Christians. Warn your friends to always pray for God to reveal the source of the power behind any pastor or church before they join or follow them. It is easy to know some of them by their actions as their identity include fighting other churches around them through physical or spiritual means and preaching church membership growth rather than the salvation of souls. Their identity also includes lifting up the name of their pastor and church more than the name of the Master and Saviour of our souls, Jesus Christ because they know that they are not His servants. They teach their members not to associate with Christians that are not their members. Some of them even bewitch their members to the extent of physically canning (flogging) them, among other physical punishments during services for offences as little as late coming, etc, just as it is done by cult masters - what a shame!

WARN YOUR PASTOR: To stop committing Blasphemy of Holy Ghost as he labels as "occultic" the anointing on the men that God is using for healing, deliverance and miracles. He knows they are not occultic. He is only jealous or envious because his members are leaving his church to face the reality. Tell him to go and reconfirm his calling because every true calling goes with the anointing

which pulls the crowd. Let him look at these scriptures *1 Cor. 2:4-5, 2 Cor. 12:12, etc*. How can you throw a naked fishing hook into the water, a fish hook without the bait (earthworm), and expect to catch any fish? The gifts pull the crowd, and then you preach the MESSAGE to them. Stop the blasphemies (*Matt 12:22-37*).

CONCLUSION: These are just some of the errors going on in the churches today. You know more than what we have written here from your personal experiences with some of these churches and pastors. For lack of the Pentecostal power to convert sinners since they have pushed away the Holy Ghost, many are now resorting to using oratory and motivational seminars and lectures rather than the old Holy Ghost fire backed revival. Seminars have only the ability to teach people earthly-bound principles as reflected on what we hear every day on the TV and see at bookshops.

Sometime ago, I heard a popular preacher in Nigeria saying that he has the mandate to teach only prosperity. Another one said that his mandate is to raise financial giants and another one said that his own is healing and deliverance. But I believe that there is only one ministry – "**the ministry of reconciliation**" (*2 Cor. 5:17-21*). Christ is coming soon and our priority now should not be worldly prosperity teaching but getting **The Bride ready** for the rapture. Let conversion and knowledge of the revelation that pertains to the soon coming of Christ be primary while any other teaching should be secondary. (*Matt 6:19-34, Lk. 12:15-21, Col. 3:1-4*).

Brother Error for long has been impersonating on the television, radio and streets as **Brother Truth** and this is because he stole **Bro. Truth's** garments while **Bro Truth** was still in the river bathing and cleaning up his revelations.

People think **Brother Error** is actually **Brother Truth** because of the gifts he is manifesting; but alas! **Brother Truth** has finished having his bath. He is now ready to go into town to expose the impersonators and He is coming Naked. So I invite you to ignore **Brother Error** and come and hear the **NAKED TRUTH** and see

genuine gifts and manifestations of the Holy Ghost in action in our days just as it was in the days of the biblical apostles of our Lord and Saviour, Jesus Christ.

Dear Reader: Note the following Prophecies: *1 Tim. 4:1-2, 2 Tim. 3:1-9, 2 Tim. 4:1-4, Tit. 1:10-16, Rom.16:17-18, 2 Cor. 11:2-4 & 13-15, 1 Pet. 2:1-3*, (Please read these scriptures thoughtfully). They all speak of the conditions of the Church at the end time. You and I know they are fulfilled now. People have departed from the faith, but the grace of God has come down with a message of TOTAL RESTORATION of the Church back to the apostolic doctrines and faith. *Isaiah 48:20, 2 Cor. 6:14-18 and Rev. 18:1-4* are crying out to true believers to come out of the erroneous assemblies and faith and return to the Word - the true Word.

This is our sincere attempt to draw your attention to some of the abominations that have crept into the Church, as was the case in Israel (*Isaiah 28:8-10*). These self-called Pastors are fulfilling Prophecies; therefore do not be afraid to change your Pastor or Church/Denomination, if necessary. You are to run for your life and damn the consequences for standing for the truth.

God started the Church with the RECONCILIATION MINISTRY and because of what heresies have done to the Christian faith; God is ending the program with the RESTORATION MINISTRY and then the PERFECTION MINISTRY as we see illustrated in the parable of Mark 4:26-29 and in the story of Esther 1 & 2. He planted a pure Word-based Church at Pentecost as seen in the New Testament. If that Church brings out a branch, it must look, believe and teach the same. We are of that branch and the harvest is near. Be restored to the Bible truth of the hour for your perfection.

VISIT & FELLOWSHIP WITH US ON OUR DAYS OF ACTIVITIES:
SUNDAY Worship Service **9:00am**
TUESDAY Restoration Service **8:00am** (Correct Water Baptism, Prophecy, Healing & Deliverance)

WARN YOUR PASTOR

EZEKIEL 13! EZEKIEL 13!!

WARN YOUR PASTOR: Our Apostle Paul has laid a curse on any minister who preaches any gospel contrary to what the Apostles have preached (*Gal. 1:6-9*) but many preachers have gone out of the Bible and are preaching all manner of heresies. Nevertheless, as it is written in *2 Tim. 4:2-5*, God desires gallant Ministers who will stand for the Truth even if it would cost them their financial support, popularity and friends.

WARN YOUR PASTOR: It is wrong to collect tithes, offerings and vows from members of the congregation who are involved in shady deals e.g. Fraudsters, Prostitutes, Ritualists, Corrupt money-bags, Bribe-takers etc. If the Pastor is sincere, let him tell the people during every offering that it is an abomination (*Deut. 23:18*). By the number of offerings taken during each fellowship, you will know the purpose of setting up that church.

WARN YOUR PASTOR: It is wrong, warn him to stop lying that God told him that a certain number of people should bring a specific amount of money for a particular project in the church, when God did not say so. Such a pastor is under very serious judgment, because *2 Cor. 9:7 & Deut. 16:17* tells us that offerings should be made willingly and as able. The practice of waving your offering so that people will see how much you are giving is unscriptural. Offerings are done in secret (*Matt. 6:1-4*). Even in the building of the temple, people gave willingly and not by task (*1 Chron. 29:5-9*). Ministers must follow the admonishment of Apostle Paul before God and the congregation (*1 Thess. 2:3-5, Acts 20:33-35*)

WARN YOUR PASTOR: She is carrying out a responsibility that is not hers. She is not in the perfect will of God, no matter the anointing. God has placed every believer in a specific

position to serve Him. Apostle Paul thus set the Church in order and thereby forbids woman-leadership over men in the Church. He even gave the reason in *1 Tim. 2:11-14* and told them concerning any matter being settled in the Church, women are to keep silent and find out from their husbands only at home (*1 Cor. 14:34-38*). This was not written only to the Corinthians as some Pastors teach. Paul said that it is to all Christians in all churches till Jesus returns (*1 Cor. 1:1-2*). The positions of authority in the Church are Apostles, Prophets, Evangelists, Teachers and Pastors as seen in *Eph. 4:11-16*. Deacons are church wardens whose qualifications are given in *1 Tim.3:8-13*. None of these offices belong to women. The Revised Standard Version (RSV) in **Rom. 16:1** referred to Phoebe as a deaconess. This is an unscriptural term injected into the Scriptures in 1950 by satan through unrevelated translators. In the KJV, she is referred to as a Servant of the Church and her duty was to carry Paul's epistles from one local Church to the other. The Bible says that the Deacon should be the husband of one wife. Nowhere does it say that the Deaconess should be the wife of one husband. (*1 Tim. 3:12*). When God has set a standard, let no man reverse it!

There should be no woman liberation movement in the church. The "Woman" lost her position of equality with man since "The Fall" in the Garden of Eden (*Gen. 3:16*). Do not misconstrue the words of Apostle Paul in (*Gal. 3:28*). Yes, we are all one in Christ Jesus being all redeemed by the same Blood. But when it comes to leadership offices as servants of God, to take care of the sheep and the pulpit, the same Apostle Paul says the woman should keep silent, that is, she should not usurp authority over the man. The woman should not give instructions to

the man either at home or in the Church. The Bible has no room for Woman Evangelist, Deaconess, and Woman Pastor including the Pastor's wife if she is one.

WARN YOUR PASTOR: God is against all ungodly worldly fashion trends that is currently being promoted by the church and their new generation pastors that permit women to wear dresses that expose their sacred body parts as they see nothing wrong with mini-skirts, body hugs, see through dresses, sleeveless dresses and women wearing trousers. They also see nothing wrong with men and women having permed hair, wearing hair attachments and earrings, painting faces, dressing like street prostitutes and still professing the Christian faith that is supposed to get us out of those dead works. You can't walk in the light and in darkness at the same time.

NOTE that a woman that wears seductive dresses shall be guilty of adultery even if she is a virgin (*Matt. 5:28, Lev. 19:29*). The Bible also forbids TATTOOS on your skin (*Lev. 19:27-28*), stop it now! Grace only abolished (or fulfills) the ceremonial ordinances and laws. The moral laws are still in force. (*Titus 2:11-15, Jude 3-4*). It is an insult to the Christian faith for any church to encourage the women to participate in fashion shows (Parades) or contests (*Deut. 23:17-18, Num. 25:1-5*). Warn your pastor to stop lowering the bar of Christian holiness, so that all kinds of people can come to his church and be comfortable because he wants crowd. Judgment is awaiting him.

WARN YOUR PASTOR: And remind him that *Heb. 13:4* is still effective today. It is wrong to wed any couple that have defiled themselves before the wedding day, by sleeping with each other or where the woman is

already pregnant before the wedding day. They have sinned and must be told to repent and not celebrate their sin. Christian couples have no right to even kiss each other until they are pronounced husband and wife by the pastor. It is an abomination. A Church that stands for holiness will not encourage that. Also tell your pastor to stop kissing other men's wives and single sisters while claiming **1 Thess. 5:26** to justify his action.

WARN YOUR PASTOR: Ask him where he got these titles from: Rev. (Dr), Rev. (Dr) Mrs., Rt. Rev., Most Senior Apostle, Archbishop, Superintendent, His Grace, His Eminence, His Holiness, Commander, Pope, Monsignor, Primate etc. Who made him God's General? The Apostles who brought us the Gospel told us they are our examples. What titles did they bear? Jesus Himself warned us of this spirit, please read **Matt. 23:1-12** and if you are sincere you will not take any title that is unscriptural. Drop them now and humble yourself. Jesus Christ, your Master was so common even among the twelve apostles that they needed a Judas to identify Him to the enemy. Pastor, remove that special seat you have kept and decorated for yourself and your wife in the Church. Remove that special robe that distinguishes you and your wife from the members of the church. As we see today, so-called Pentecostal Bishops wear crosses hanging in front of them like their Catholic masters. That was not known with the Lord Jesus and His Apostles. The pastor is now too big to even carry his own Bible. He has employed someone to carry it for him when he goes to the pulpit. By this he simply tells the congregation that he is bigger than the Bible or it is too heavy for him to carry. That is pride, God hates it (**Prov.6:16-19**).

NOTE that today, before you can be crowned a Pentecostal Bishop, you must have built a big auditorium and have paid a large sum of money to their organization and fulfill many more conditions but in the Bible, a Bishop is a mere preacher or an elder. Every member of the five-fold ministry is a Bishop or an Overseer and the Saints of Christ are to be perfected by the Fivefold ministry of **Eph. 4:11-16**.

There can be more than one Bishop in a local Church (**Philippians 1:1-2**) so to put one Bishop over many congregations as they do today is unscriptural and a carryover from the Roman Catholic Church which the Bible calls the mother of harlots (**Rev. 17:3-6**).

WARN YOUR PASTOR: God cannot truly call a man to serve in the five-fold ministry of **Eph. 4:11** and again send him into politics to be president or any other elective political office. Carnal Christians without the fear of God are lying with the name of God, to deceptively get the votes of Christians by saying that God told them to go into politics. If God speaks, can it fail? Politics and Christian ministry are two opposite callings. The priest remains in the temple, praying for the nation and the kings and rulers while the kings and rulers stay at the palace administering the people. They don't cross their boundaries of responsibility. We shall be kings only in the millennium: for our kingdom is not of this world. A pastor therefore cannot be the king of his village. Even if by inheritance it belongs to him, his ministerial calling has taken him away from that. How can a Christian go, as a king, to become the custodian of cultures and shrines and idols of villages? Let no reason be accepted for that rather than a dog going back to its vomit. That pastor was never converted, or called into the ministry.

WARN YOUR PASTOR: To place the faith of the people on the Word of God and not objects like oil, handkerchiefs, aprons, name of church etc. or even on the man of God. It is idolatry. Also make sure the oil you give the people to drink are edible if not just give the people water else you may only complicate the problem. After all, it is the anointing and faith that works, not really the oil.

WARN YOUR PASTOR: To teach the members to give all glory to God and not to the man of God, especially during testimonies. Stop calling on **"The God of your Church or Pastor."** If His name is JESUS then why do you not just call His name? Every knee and problem only bows at the mention of the name of JESUS, not at the mention of **"God of my Pastor or God of my church"**. Stop that

idolatry. (**Col. 3:17, Phil. 2:9-11**).

Advertise Christ, not a man or his wife if the church is truly the church of Christ (**Jn. 3:27-30**). Every G.O must decrease so that Christ alone must increase because He is the true General Overseer of His Church.

Stop permitting or ignoring members who hang picture of the man or woman of God on their bodies and property, thereby idolizing him. It is an abomination before the Lord.

WARN YOUR PASTOR: To stop using perfumes, candles, incense, blood of human beings or animals in the name of the Lord Jesus for sacrifice. This is not CHRISTIANITY. It is spiritism and it is an abomination in Christianity. It is also wrong to take people especially women to any river for any spiritual bath. This is an initiation into the marine world and to spirits without knowing it. The only spiritual bath in the river permitted by Scripture is water baptism in the name of Jesus Christ. Jesus Christ is the name of the Father, and of the Son and, and of the Holy Ghost, for the remission of your sins; to bring you into the new covenant of the blood of Jesus and to automatically destroy every other evil covenants in your life.

(**Matt. 28:19, Lk. 24:46-53, Acts 2:38, Acts 8:5 & 12-17, Acts 10:43 & 47-48, Acts 19:1-7, Acts 22:16, Rom 6:3-7, Col. 3:17** etc) confirm the name of the Father, and of the Son and of the Holy Ghost is Jesus Christ. If you only baptize in the titles of Father, Son and Holy Ghost and not the name of Jesus Christ as commanded, you have not understood the commandment, and your sins will continue to remain with you. (**Hos. 4:6**). You can call us for more explanation for this important ordinance for your salvation and deliverance or visit us on Tuesdays when we teach on Correct Water Baptism. Baptism must be done in the name of Jesus Christ and by immersion not sprinkling. No infant baptism! No baptismal class and exams and no fees or card! If you believe that Christ died for you and you accept Him as your Saviour, go immediately and be baptized and don't allow any minister or church doctrine hinder your salvation process. On the day of Pentecost, 3000 souls were baptized without any need for baptismal school

or exams- **Acts 2:41, Acts 8:35-38, Acts 10:47-48**.

WARN YOUR PASTOR: To teach the correct process of the new birth. You are not born again just because you believe and confess Christ and have become a churchgoer or a church worker. The new birth is more than this, it is a process. **Mark 16:16** says he that believeth and is baptized shall be saved, that is, after you believe; you must go through water baptism and compulsorily be baptized with the Holy Ghost. The process of the new birth is further explained in **Ezk. 36:24-27, 2 Cor. 5:17, Acts 2:38-39, Acts 1:8**, etc.

WARN YOUR PASTOR: To stop teaching that the evidence of the baptism of the Holy Ghost is speaking in tongues. This is only a gift which even the unconverted committed ones in any Christian gathering can operate and yet end up in hell - (**Matt 7:21-23, Ps. 68:18**). Demons also speak in tongues. The true evidence of the indwelling Spirit of God is a life transformation from a sinner to a saint - (**2 Cor. 5:17, Gal. 5:16-25** etc) and an unconditional obedience to the Word of God while walking in the light of the revealed truth of God because He is the Spirit of truth. It is also wrong to teach that every Christian should speak in tongues. All cannot speak in tongues for it is only one of the spiritual gifts; you may operate the healing, faith, miracle, or gift of the word of knowledge and may not speak in tongues. While you may speak in tongues and yet not operate other gifts because it is not given to you.

Remember that on the day of Pentecost, they spoke in tongues as the Spirit gave them utterance and not as Peter taught them to speak (**Acts 2:4**). Drop every tongue any man taught you because you don't know what you are saying. What if you are cursing yourself or even God? This is why you must make sure the tongues you speak are genuine tongues with the utterance by the supernatural unction of the Holy Ghost.

Note, however, that speaking in tongues is a very edifying gift that every Christian should desire to have because it helps our prayer life, but all cannot have it (**1 Cor. 12:4-12 & 27-31**). It is also wrong for a pastor to tell everyone during service to begin to pray in tongues. It is wrong to hold an audience

in silence while watching you speak in tongues without the interpretation (**1 Cor. 14:7-33** [note **verse 27-28**]). It is forbidden by the Bible.

WARN YOUR PASTOR: To stop killing the gifts in the Church because he does not operate any gift (**2 Tim. 3:5, Titus 1:16, 1 Thess. 5:19-20**). Every true Church must have the gifts of **1 Cor. 12** operating fully in their midst because satan takes over any church that refuses the operation of these gifts. (**Acts 1:8, 1 Cor. 2:4-5, Mark 16:17-18, Rom. 15:18-19, 2 Cor. 12:12, Acts 4:33, Acts 5:12-16, Heb 13:8**, etc). We agree that there are many counterfeit gifts and anointing; but this is the evidence that there is an original from which the counterfeit is copied. What we do is to allow God to prove which one is genuine as He did on Mount Carmel (**1 Kgs. 18:17-40**) because the individual who does not use his or gift will lose his or her reward. (**Luke 19:11-27, 2 Cor. 5:10, 1 Cor. 3:9-15, Rom 14:10-12**)

WARN YOUR PASTOR: It is no longer the Church of our Lord Jesus Christ when he sets up the Church as his business empire i.e. The Husband is the General Overseer (Chairman), his Wife is Assistant Overseer or General Coordinator (Managing Director), while the Children or Relatives are in charge of their financial collection (business proceeds). What was the position of Peter's wife in the Apostolic Church? But we all see how Church leaders are cleverly grooming their wives to take over the "business empire" when they die. "The true Church of Jesus Christ" does not run as a family business. The Pastor is to oversee and coordinate all the activities of the church but more importantly, **Acts 6:1-6** tells us that ministers should concentrate on spiritual matters while deacons are to be elected by the Church to take care of the welfare of the Church.

WARN YOUR PASTOR: A Church with headquarter and branches all over, having appointed and paid ministers to watch over these branches, and these branches send tithes and offerings to the headquarter is not Scriptural. All local Assemblies are sovereign and responsible to the leadership of the Holy Ghost alone and are not to be receiving instructions from any headquarters on what to

preach, etc. The Church must be run the apostolic way in which through evangelism, a local Church comes up and an able minister that is prayerfully selected is ordained to oversee that Assembly. He is not to be taking instructions from any headquarters but only liaises with other ministers as the need may arise. He is independent. Recently, the Pastor of a Pentecostal Assembly caught this revelation and granted independence to the branches under him. Every true Pastor must also do the same. There is no denomination in the Bible.

WARN YOUR PASTOR: He should stop making merchandise of you (**2 Peter 2:1-3**). The gifts and the anointing in the church are not for making money. Freely did you receive the gift; freely you must use it (**Matt 10:1&8**). It is contrary to the scripture to commercialize the gift.

Stop charging money for registration to see you or giving special attention to the rich because of the money they often use to buy your conscience. Stop charging for family or business or personal deliverance. Stop selling oil, handkerchief, anointed water or even books or tapes for profit making. Stop the commercialization of any talent the Lord has given you, including the gift of singing.

Some people will not sing in any gathering or preach in any program until they are paid. Christians now organize programs and charge gate fees. It is a shame no matter what your excuse is. When God calls a man, He does not send him out to beg for sponsors. This is the spirit of the age being promoted by the ministers of Satan (**2 Cor. 11:1-4 & 13-15**). Balaam's spirit is at work again. It is an anti-Christ spirit that will force members to buy the pastor's picture and hang it in their houses. Is the pastor now the Redeemer? (**Ex. 20:1-6**). It is also wrong to use the contributions of members to build schools and hospitals and charge fees that the poor members cannot afford. This is corruption and it is a sin.

WARN YOUR PASTOR: It is robbery for a minister to covet and collect all the tithes for personal use because he is the pastor of the church. It is wrong to equate the New Testament preachers to Levites in the Old Testament and they
